WORK EXPERIENCE

Internship in Frontend Role

3M Express

03/2024 - 07/2024

Achievements/Tasks

- During my internship at 3M Express, I gained valuable hands-on experience in front-end web development. I collaborated with senior developers to work on various projects, where I was responsible for implementing and testing user interfaces using HTML, CSS, and JavaScript.

Junior Frontend Web Developer

3M Express

08/2024 - Present

Achievements/Tasks

- As a Junior FrontEnd Web Developer at 3M Express, I am involved in developing and maintaining user-friendly web interfaces. I apply my knowledge to create engaging and interactive websites, ensuring a seamless user experience. Collaborate with the development team to produce high-quality code and user interfaces. Participate in the design and implementation of new website features and functionalities. Utilize version control systems such as Git for efficient code management and collaboration. Stay updated with the latest trends and technologies in front-end development to enhance web applications.
